MANUFACTURER'S CERTIFICATE

(This document is not required by an import regulation, it is voluntarily issued)

Siegersbrunn/Germany

We confirm that the moulded INKA particle board pallets destined to be exported to **Turkey** by our client

exporter

adress

city, country

are manufactured, in the same way as particle board. After drying the wood at 150 C° degrees to a moisture content of only 4 % , it is moulded in addition with synthetical binder under a pressure of approx. 90 Bar and 180 C°. This moulding process can not be survived by any living plant pests. Wood based panels can be used as packing or as pallets without fumigation or heattreatment.

We confirm that these moulded particle board pallets are heat processed, and totally free from any plant pests according to

- **FAO-IPPC-ISPM15**
- **the Turkey regulation No. 25452, Official Gazette dated 4th May 2004, Article 4, k) (Processed wood packaging),**
- **Decree No. 6/3346 Chapter 6, Article 14, 2nd paragraph!**
